Subject: Contaminant Screening Study Post Clean-Up Evaluation Sampling

Dear Mr. Christiansen,

CDM Federal Programs Corporation has completed the Final Technical Memorandum for the Contaminant Screening Study Post Clean-Up Evaluation Sampling conducted as part of the ongoing removal activities in Libby, Montana. Please find the attached copy for your use. Additional copies have also been distributed as indicated below. If you have any questions or concerns, please call me at (703) 814-7324.

Very truly yours,

Dee Wannen
